The Bloomfield Becord. waiter at the Grand Union. Many years ago, when the National Hotel

at Washington was in its prime, he ATMOSPHERIC PHENOMENA IN ITA- was the grand marshal of its hun-Ly.—A Rome letter to the London dred waiters. He came to Sarato-Echo, dated July 12, runs as fol- ga with the Lelands, continued unlows: Padre Secchi publishes an der Breslyn, is dying now of conaccount of the singular phenomenon sumption, and when they say, "Bob which occurred at Velletri during go off. Take the summer for yourthe violent thunderstorm of June self," the pride of the Virginian HOT ATR FURNACES, 18, and which is to be ranked negro answers, "No, I will die right among the hitherto unexplained here, if I must, where I have workcaprices of nature. Just as the ed." This man was a member of tempest was at its height, and the the Council of the District of Columrain torrential, six persons taking bia. He anticipated the position shelter in a stable, which was also recently taken by Frederick Douoccupied by three horses harness- glass more than two years-nameed to as many wine carts, witness- ly, that the black man must cease ed the following extraordinary ap- to hang on the white man's skirts. pearance: A luminous mass rose He said to me last summer: "Our from the threshold of the door, en- people are not doing well. They tered the stable, glided from one are all on fire for office. It's makcart to another, attracted, probably, ing demagogues and idlers of them. by those fringes of bells character- Of Fred Douglass he said: "I istic of the Roman wine carts, and don't respect any colored man who then passed through an iron grat- lets a white man use him after the ing into the street. The bells rang, white man has picked the carcass, the horses plunged, a woman and a and that's what Fred Douglass did man felt a certain giddiness, but no in the Freedmen's Bank." This accident happened. Outside the negro is a very thorough American stable a carpenter at his shop door in spirit, wiry in figure, ambitious, saw the luminous mass, (which some anxious, with military power over of the witnesses compared to a fiery the 175 servants he has to drill, club as thick as a man's arm,) issue little given to frivolity, and his judgfrom the grating, strike the pave- ment in a dining room on the qualment, and disappear in a dazzling tity and right place of a thousand water closets, Bath Tubs, Cistern and Well Pumps. flash. However, the meteor visit- guests was little short of rare social ed several portions of the large culture. Frank Hall, the white card as above, and thankful for the patronage behouse with which the stable was steward at the Union, died this stow for the past thirty-one years by the people of connected, flew through large cham- summer, also of consumption, con- scontinuance of the same, trusting that a strict bers, blackening slightly a gilt cor- tracted by too much exposure. nice in one, and scattering fragments of plaster in another. Strangest of all, this extraordinary visitor, ceiling of a room leading into a vast kitchen, danced round a woman who was standing at a table. She described the meteor as a fiery serpent which she first saw standing THE NEWARK SAVINGS INSTITUTION. upright on the floor, within two meters' distance of her. Then it flew toward her, whirling several Dividend of three per cent for the past six menths, free from State, County and City Taxes, payable at the times round her knees with great usual time. velocity. She felt a sudden blow on the head and fell to the ground; Deposits made on or before July 1st draw interest but her husband, who saw the from that date. whole apparition, on rushing to what he supposed was the corpse of his lightning-destroyed wife, found that she was only stunned a little. On recovering she complained of pain in the scalp, and her hair had become and remains dry and rigid. After this last caprice the meteor disappeared, and from the quantity of soot which fell from the chimney it is supposed to have found vent in that direction. It was accompanied by a lord detonation, but whether on its first ap-

W. McClave, Vice Pres't A LADY occupying a high position at Washington, whose husband was of the government, made a trip to Europe with him. She "doted" on lace and here was her opportunity. Talking of the acquisitions Office on Liberty street, a few doors east of Broad, she would make in this line, he told her she should purchase any reasonable quantity, provided she would not smuggle any. To this she accepted. The gentleman took as part of his wardrobe a dressing as part of his wardrobe a dressing as part of his wardrobe a dressing gown, for, like most Americans, in the privacy of his room he liked to Bloomfield Savings Institution, pull off his coat. Several times on the ship he observed the care his wife took of his garment, and was gratified for her anxiety for his comfort. Once when smoking, while terest for the next six months if not withdrawn. It manner from lighting his cigar, he set his gown will be entered on the pass book at any time after on fire and quite hole was burned Deposits commence to bear interest on the life on fire and quite hole was burned day of July, October, January and April, in each in the skirt. His wife was considerably agitated, and he was flattered that so trifling a danger to him had so moved her. One morning immediately after their return to this country he found that before he reached his office that keys he needed he had left at home, and retraced his steps to get them. Letting himselfin with his latch-key he proceeded to his chamber, and on opening the door found his wife on her knees on the floor, his dressing-gown divested of its lining and spread before her, and she, scissors in hand, disengaging from it a white, flimsy fabric with which it was covered. She sprang up on seeing him, laughed, and exclaimed: BASKETS, BOUQUETS, WREATHS, CROSSES, "You are the smuggler. You wore that lace all over Europe, and brought it home."
